

ISIS Papyrus is a profitable, privately owned group of companies founded in Austria. The software enables business applications for digital transformation and communication. We have more than 350 employees worldwide. ISIS Papyrus now has 16 branches on three continents with headquarters in Austria, America and Singapore.

Due to exciting new customer projects, Papyrus Software is looking to recruit talented and ambitious talents to join our professional services team.

## International Software Consultant

After an intensive training phase at our headquarter in Austria, the candidate will prove his ability to excel in a customer facing role and manage all phases of a project from proof of concept to go live:

### Your tasks:

- Acquire in depth knowledge of our software and solutions
- Presentation of the Papyrus System to technical and managerial audiences
- Analysis of customer requirements and environments
- Design end-to-end solutions to meet the customer needs using Papyrus products
- Configuration, installation and training at customer sites

### Your profile:

- High education
- Preferred skills: computer engineering and electronic and communications engineering
- Working experience in IT organization
- Preferred knowledge of Object-oriented programming language paradigm
- Experience in Windows/Unix environments and scripting (DOS Batch / Unix Shell / Windows Powershell)
- Base knowledge on relational databases and on SOA / REST / JSON for Mobile apps.
- Excellent English spoken and written
- Proven report writing, verbal and written communication and presentation skills
- Availability to travel up to 70% of working time

### Why ISIS Papyrus?

- Dynamic, open-minded and international working environment
- Innovative, leading software solution
- Personal development within the company
- Long-term employment in a profitable group

Annemarie Pucher, CEO
