Full training in our Headquarters in Austria/Europe on the company's product range will be provided to the successful candidates.

- Present and provide training for Papyrus products and solutions to technical and managerial audience
- Design end-to-end solutions to meet the customer needs using Papyrus products
- Perform various project management assignments
- Design and test new Papyrus frameworks and solutions
- Setup and configure Papyrus products

Your profile:

- Minimum 2 years experience
- Knowledge of object oriented programming and scripting languages
- Experience in designing and implementing complex software solutions
- Must be willing to travel up to 70% of working time

Why ISIS Papyrus?

- Dynamic, open-minded and international working environment
- Innovative, leading software solution
- Personal development within the company
- Long-term employment in a profitable group
